Jesús satisface las necesidades de cada discípulo. Al que esta con miedo en el cuarto de arriba, Él le dice palabras de paz. Él le da la prueba tangible de Su resurrección al desconfiado Tomas. ¿Qué necesito yo para ser Su discípulo? ¿Qué tengo yo para compartir que podría satisfacer las necesidades de otro?

Jesus meets the need of each disciple. To the fearful in the upper room, He speaks words of peace. To doubting Thomas, He provides the tangible proof, of His resurrection. What do I need to become His disciple? What do I have to share that might meet someone else's need?

**Second Sunday of Easter / Divine Mercy Sunday**

We have always had a beautiful Church, especially with the image of Our Lady of Guadalupe! But those within the ministry of creating a prayerful worship space, and decorating for the different seasons have done another spectacular job! I never really know what they will be doing, but each time it is impressive. They seem to help us all enter into the mystery of our faith expression. We would like to express our gratitude to all who helped in any way to bring about the Holy Week services within the Church, and those who helped with the live-stream so that during this difficult time we could all be united in the spirit of prayer. May God bless you and your loved ones abundantly!

Siempre hemos tenido un Iglesia hermosa, especialmente con la imagen de Nuestra Señora de Guadalupe. Pero ¡Siempre hemos tenido una hermosa Iglesia, especialmente con la imagen de Nuestra Señora de Guadalupe! ¡Pero aquellos dentro del ministerio de crear un espacio de adoración en oración y decorar para las diferentes temporadas han hecho otro trabajo espectacular! Realmente nunca sé lo que harán, pero cada vez es impresionante. Parecen ayudarnos a todos a entrar en el misterio de nuestra expresión de fe. Nos gustaría expresar nuestra gratitud a todos los que ayudaron de alguna manera a realizar los servicios de Semana Santa dentro de la Iglesia, y a aquellos que ayudaron con la transmisión en vivo para que durante este momento difícil todos pudiéramos estar unidos en el espíritu de oración. . ¡Que Dios los bendiga a ustedes y a sus seres queridos en abundancia!

### WHEN THE DOORS OPEN

When the doors open, will we have learned? To seek the hug, to be thankful for a friend, to share coffee, a kiss and the meaning, of beautiful company, of the one who is with me.

When the doors open, will we have learned? To leave the screen, of meaningless images, and see the happy face of the one who talks to me. Of the one who is ignoring, by being submerged, of virtual company, that has been useless.

When the doors open, will we have learned? That the teacher earns little, for explaining the tasks, and understand my child. How important are the values that he takes with him, in the heavy backpack, of the little attention that I give him.

When the doors open, will we have learned? That the doctor is a hero, in a robe and covers his mouth, who gives his life, to save like a Christ. That he accepted this bitter drink, between rooms and corridors, without being able to see his own, so that you and I are alive.

When the doors open, will we have learned? That Mass is a dispensary, of Jesus the bread of life. That we put it aside, for the football on Sunday, for the small, the get reunions, for the relative who came. Because tomorrow is Monday, because of the hectic pace I live. And today I look for it and I kneel, before the little screen, and that is ironic, I tell you.

When the doors open, I hope, my friend, that we have learned the lesson of life. That everyone's conscience is the key to the future, and if you believe, in destiny. Today, today stay in your house, hug your children, for those who cannot, and for those who were defeated. Today, today stay in your house, and ask God with me, that when the doors open, we have learned something.

### CUANDO LAS PUERTAS SE ABRAN

Cuando las puertas se abran, ¿habremos aprendido? A buscar el abrazo, a agradecer por el amigo, a compartir el café, el beso y el sentido, de la hermosa compañía, de aquel que está conmigo.

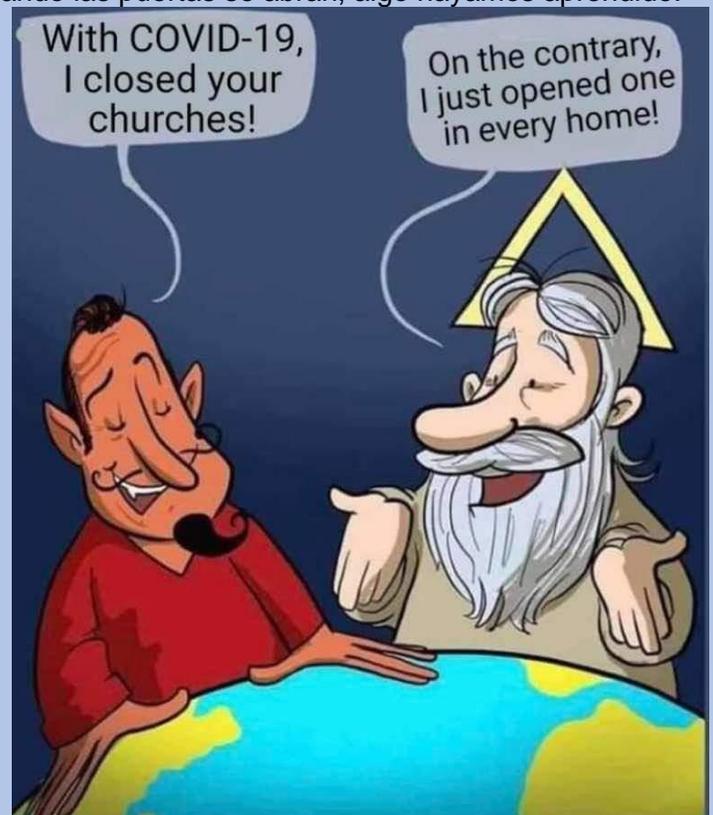

Cuándo las puertas se abran, ¿habremos aprendido? A dejar la pantalla, de imágenes sin sentido, y ver el rostro alegre, del que conversa conmigo. De aquel que es ignorando, por estar sumergido, de virtuales compañías, que de nada han servido.

Cuándo las puertas se abran, ¿habremos aprendido? Que la maestra gana poco, por explicar las tareas, y comprender a mi niño. De cuan importantes son los valores, que él se lleva consigo, en la pesada mochila, de la poca atención que le brindo.

Cuándo las puertas se abran, ¿habremos aprendido? Que el médico es un héroe, de bata y cubre boca, que entrega su vida, para salvar como un Cristo. Que aceptó éste trago amargo, entre salas y pasillos, sin poder ver a los suyos, para que tú y yo estemos vivos.

Cuándo las puertas se abran, ¿habremos aprendido? Que la Misa es dispensario, del Pan de Jesús vivo. Que lo dejamos de lado, por el futbol del domingo, por la plaza, los encuentros, por el pariente que vino. Porque mañana ya es lunes, por el agitado ritmo que vivo. Y hoy lo busco y me arrodillo, ante la pantallita, Y eso, es irónico, te digo.

Cuando las puertas se abran, espero, mi amigo, que la lección de la vida, la hayamos aprendido. Que la conciencia de todos, es la llave del futuro, y si crees, en el destino. Hoy, hoy quédate en tú casa, abraza a tus hijos, por aquellos que no pueden, y por los que fueron vencidos. Hoy, quédate en tú casa, y pídele a Dios conmigo, que cuando las puertas se abran, algo hayamos aprendido.
